## 2026 AIR CAPITAL OF THE WORLD CELEBRATION

# ABOUT THE EVENT

Held in advance of the 2026 Farnborough International Airshow, the Air Capital of the World Celebration convenes industry executives, innovators, and global leaders for an afternoon designed to strengthen relationships and accelerate opportunity. This curated gathering places our partners at the center of one of aviation's most influential international moments.

With more than 500 industry leaders, dignitaries, and decision-makers expected, the celebration reflects the extraordinary momentum driving aerospace innovation across Kansas and around the globe. Hosted in partnership with U.S. Senator Jerry Moran and the Greater Wichita Partnership, this premier gathering sets the tone on Sunday, July 19 - the afternoon before the 2026 Farnborough International Airshow officially begins.

For partners, it is more than attendance; it is visible alignment with leadership, progress, and the global aviation community at the moment the world's attention turns to Farnborough.
